The United States of America, United States, which is the several states is a sovereign country and nation, subject to no other, especially immigrant, non-citizen entities, such as those which are possessions of the United States and owe allegiance to its Masters, Creators and Creditors.

### **PYRAMID SCHEME**

The Circuit Court and USDC, the using its pirate language and writing system, secretly prosecutes an involuntary bankruptcy and steals the assets, coins, property of the consumer, without the consumer ever knowing. (see, USDC Management Order)

A USDC issues a bogus court order pursuant to 28 USC§2072 and §2075. Aside from the fact that Title 28, are Judicial Rules which clearly the United States and consumers are immune, through explicit language of the Supreme Court right within the language. The USDC, Chuang and previous criminal debtor, Grimm, impersonates the United States and its status, character and standing. §1692(e)(1)(3)

The stolen postage mail, assets (debts) deposited are a mere worthless postdated check as defined in §1692(f)(3)(4)(5). The USDC, Street Pirates, Circuit Court then divide the stolen assets, mail amongst themselves. All deposits into these healthcare and financial institutions are transferred to the United States Treasury, whom acts as a third-party debt collector and receiver of the mail, coins and debts. (assets)

The USDC, Circuit Court Prince George County, Street Pirates, are one in the same and all uses the same scheme and devices against the United States, consumers, which are branches of the United States Military and Postal Services.

The FDCPA, §1692-1692p, commissions a consumer as a Justice of the Peace, Attorney General and Prosecutor.
